**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because I appreciate my provider's ethos and they provide superior service -- and because competition encourages us all to do better. Working from home, broadband is critical to my professional and personal life. Local broadband providers must be nurtured and supported -- for the good of us all! We need the Bridge 2 Broadband.
